

1. Mission Statement

The Military Schools Services Activity is to provide and operate first rate training facilities (i.e., classrooms, administrative rooms, billeting, auditoriums and audio visual equipment) and coordinate for transportation and messing to support the Ft. Dix Mission/Vision to become the World Premier Projection Platform. In this regard, it will be primarily responsible for providing support to the Officer Education System (OES) Schools which consists of the Intermediate Level Education (ILE) instruction (replaces CGSC), Advanced Operations and Warfighting Course (AOWC) and the Combined Arms Exercise (CAX) Course which replaces (CAS3). It will also support the Military Occupational Specialty Qualification (MOSQ) Schools for Non Commissioned Officers. Additionally, the Distance Training Facility, Nuclear, Biological and Chemical (NBC) School and Combat Lifesaver Course (CLC) all fall under the auspices of the MSSA.

The MSSA also provides assistance to the Ft. Dix Tenant activities, Non-TASS and DOD units requiring training facility support.
